

std::exception

```
graph BT; gko::HipError --> gko::Error; gko::Error --> std::exception;
```

The diagram illustrates a vertical inheritance hierarchy. At the base is a box labeled 'gko::HipError' with a light gray background. A blue arrow points upwards from this box to a box labeled 'gko::Error' in the middle. Another blue arrow points upwards from 'gko::Error' to a box labeled 'std::exception' at the top, which has a light gray background. All boxes have a thin black border.

gko::Error

gko::HipError
