

```
gko::enable_parameters  
_type< parameters_type,  
      Amd< IndexType > >
```

A diagram illustrating a C++ template specialization. It consists of two rectangular boxes. The top box is white with a black border and contains the text 'gko::enable\_parameters\_type< parameters\_type, Amd< IndexType > >'. The bottom box is gray with a black border and contains the text 'gko::experimental::reorder::Amd< IndexType >::parameters\_type'. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating that the bottom box is a specialization of the top box.

```
gko::experimental::  
reorder::Amd< IndexType  
            >::parameters_type
```
