

```
gko::matrix::Hybrid  
< ValueType, IndexType  
>::strategy_type
```

A diagram showing a relationship between two C++ type aliases. A blue arrow points from the bottom box to the top box, indicating that the `strategy_type` member of the top type is inherited from the `imbalanced_bounded_limit` member of the bottom type.

```
gko::matrix::Hybrid  
< ValueType, IndexType  
>::imbalanced_bounded_limit
```
