

```
gko::matrix::Csr< ValueType,  
  IndexType >::strategy_type
```

A diagram illustrating the inheritance of the `strategy_type` member from a base class to a derived class. The base class, `gko::matrix::Csr< ValueType, IndexType >::cusparse`, is shown in a grey-shaded box at the bottom. A blue arrow points upwards from this box to a white box at the top, which contains the text `gko::matrix::Csr< ValueType, IndexType >::strategy_type`. This indicates that the `strategy_type` is derived from the `cusparse` specialization.

```
gko::matrix::Csr< ValueType,  
  IndexType >::cusparse
```
