

```
gko::experimental::  
distributed::index_map  
< LocalIndexType, GlobalIndex  
Type >
```

The diagram illustrates a specialization relationship. A solid orange arrow points from the bottom box to the top box. The top box is shaded gray and contains the text: `gko::experimental::distributed::index_map < LocalIndexType, GlobalIndexType >`. The bottom box is white and contains the text: `gko::experimental::distributed::index_map < local_index_type, global_index_type >`. The arrow points from the bottom box to the top box, indicating that the bottom type is a specialization of the top type.

< local_index_type,
global_index_type >

```
gko::experimental::  
distributed::index_map  
< local_index_type, global  
_index_type >
```
