

gko::span

```
graph BT; A[gko::local_span] --> B[gko::span];
```

A diagram showing a vertical relationship between two boxes. The bottom box is white with a black border and contains the text 'gko::local_span'. The top box is gray with a black border and contains the text 'gko::span'. A blue arrow points upwards from the top edge of the bottom box to the bottom edge of the top box.

gko::local_span
