

gko::experimental::
mpi::CollectiveCommunicator

```
graph BT; A["gko::experimental::  
mpi::NeighborhoodCommunicator"] --> B["gko::experimental::  
mpi::CollectiveCommunicator"]
```

The diagram illustrates a class hierarchy. A light gray box at the bottom represents the base class, and a white box at the top represents the derived class. A blue arrow points from the base class box to the derived class box, indicating that the derived class inherits from the base class.
